Sir,

In forwarding Copy of the marginally noted letter from the Deputy Superintendent, Shimoga District recommending Certain alteration in the Town Police, I beg to Submit for favorable Consideration the proposal of Lieutenant Cumming for increasing the pay of the Shimoga Police by a reduction in their numbers and trust that the measure may be Sanctioned as the present rate of pay for the peons viz Rupees 5 per month is very low when compared with the average wages of labour, and it is impossible to obtain an efficient Inspector for Rupees 15-

No 441

Shimoga District
Deputy Superintendents Office
Shimoga 30th July 1869

To
The Superintendent
Nagar Division

Sir

I have the honor to propose the following revised Statement shewing certain proposed alterations in the Town Police of Shimoga which it is apprehended will render the Force more efficient and not increase their cost:-

2 The present Force is as follows:

	Rs	a	P
1 Jemadar at 15	15	—	—
1 Duffadar at 8	8	—	—
3 Duffadars at 7	21	—	—
10 Peons at 6	60	—	—
30 Do at 5	150	—	—
Total	254	—	—

3 The first thing to be considered is what are the number actually required and where they should be located.-

4 The following appear to be the posts where Yannahs should be placed:-

1 At the corner of the road by the Superintendents gate to patrol the road down round the Travellers Bungalow, Mr. Lincoln's house to the cross road leading to the Jail and so up to the Superintendents gate.-

1 At the District Cutcherry to patrol round the Executive Engineer's Office up to the Jail Cross road and down to the Taluq Cutcherry Singuppah's Bungalow and Sonnahs' Tank bund roads.

1 At Tegahutti to be located near the Perpul tree and to patrol the part of the Angoomby road Brachmin Street up to the 7th Cross road and round that portion of the Town returning to Tegahutti.

1 At the Cultivalls' Choori to patrol the central portion of the Town.

1 At the Police Tannah in the main Street to patrol and look after the market Area

1 At the old Jail to patrol that end of the Town and down as far as the Judicial Assistants Court on the other side of the Bridge.

5 I would recommend that 1 Duffadar and 4 Peons be posted to each Tannah.

6 That each Duffadar should receive Rs. 8 and each peon Rs. 6 a month. This would come to Rs. 192. four spare orderlies would be required at Rupees 6 or Rs 24 for four leaving an available balance of Rs. 38 of which Rs. 30 might be assigned as pay and Rs. 8 as pony allowance to an Inspector who should ride round once or twice a day. The Scheme would be as follows:—

One Inspector at 30	30—0—0
Horse allowance at 8	8—0—0
6 Duffadars at 8	48—0—0
28 Peons at — 6	168—0—0
Rupees 254	—0—0

7 The distance being great a mounted Inspector would be required.— I think Jaffer Khan acting Killa=dar at Gaugar who reads and writes well and knows the Codes and is an active man and unconnected with Shunagah would do very well or a pensioned Euro=pean might beget, but I doubt if a good man would be induced to come out for the pay.—

8 One pound can be established in the old Jail Compound, which can conveniently be used as a Tanah.—

9 A site for the other may be chosen near the District Cutcherry.

10 The Police should have a uniform given them which they should pay for by stoppage.— An applic=ation and Estimate for the amount of advance required will be at once submitted.—

11 It is requested that sanction may be accorded to this Scheme.—
